Said building inspector shall have the power to issue permits for construction, repairs and alterations within said village and shall have the power and authority to order all work stopped on any construction, repair or alteration which violates any provision prescribed by such rules, regulations and codes as set forth herein.

#### SECTION 4-302: BUILDING INSPECTOR; RIGHT OF ENTRY

It shall be unlawful for any person to refuse to allow the building inspector entry into any building or structure where the work of construction, alteration, repair or relocation is taking place, for the purpose of making official inspections at any reasonable hour.

#### SECTION 4-303: BUILDING PERMITS REQUIRED; APPLICATION, ISSUANCE

Any person desiring a building permit to commence or proceed to erect, construct, repair, relocate or destroy any building or dwelling, or cause the same to be done, including but not limited to, a lawful burning pursuant to Neb. Rev. Stat. §28-506, shall file with the village clerk an application therefor, on a form to be furnished by the village

clerk for that purpose, before proceeding with the work. Every such application shall set forth the legal description of the land upon which the construction or relocation is to take place, the nature of the use or occupancy, the principal dimensions, the estimated cost, the names of the owner, architect and contractor, and such other information as may be requested thereon. #### SECTION 4-304: PERMIT, FEE

The fees charged for building inspections and permits shall be that established by Hall County for services performed by the Hall County building inspector or as set forth in the interlocal agreement with Hall County for such inspection services.

#### SECTION 4-305: VARIANCE NOT PERMITTED

It shall be unlawful for any person to whom a permit to construct or repair a building within the corporate limits of the Village is issued, as provided in this article, to vary in any manner from the plans and specifications submitted to the Board of Trustees in the construction or repair authorized, so that such construction or repair shall not conform to the ordinances of the Village.

#### SECTION 4-306: PERMIT LIMITATION

If the work for which a permit has been issued shall not be begun within six months of the date thereof, or if the construction shall be discontinued for a period of six months, the permit shall be void; and before such work can be resumed, a new permit shall be obtained in the same manner and form as an original permit.

#### SECTION 4-307: BARRICADES AND LIGHTS

It shall be the duty of the owner, lessee or tenant causing the construction or destruction of any building or improvement upon or near any public street, alley or sidewalk to have during such construction all excavations, building materials and debris protected by suitable guards or barricades by day and by warning lights at night. #### SECTION 4-308: BOND REQUIREMENT

It shall be the duty of the owner, lessee or tenant intending the destruction of any building or improvement to post a \$1,000.00 cash bond with the village clerk prior to such destruction. This bond will be refunded upon payment of all damages to village property occasioned by such destruction and any cleanup work resulting from such destruction. In the event that a nuisance remains on the building permit site for more than six months after the issuance of the building permit, then the bond shall be forfeited and shall be applied to offset the cleanup by the Village.

The Village Board shall sit and act as the Village Board of Appeals and shall have the power and authority, when appeal is made, to modify the decision or order of the building inspector. Such a decision shall be final, subject only to any remedy which the aggrieved person may have at law or equity. A variance shall be granted only where it is evident that reasonable safety and sanitation is assured and may include conditions not generally specified by this Code to achieve that end. A copy of any variance so granted shall be sent to the applicant.
